

# HOW TO USE RE-MERGE

We've prepared a few simple steps to help you use the RE-Merge device more comfortably and effectively. With these tips, we believe you'll enjoy your daily skincare routine to the fullest and with maximum ease.

## **Before you begin:**

We recommend setting English as the default language before the first use. To do this, turn on the device and press and hold the **A** and **LV** buttons simultaneously **for 5 seconds** – the language will automatically switch to English

## **1. Always cleanse and dry your face thoroughly before using the RE-Merge device**

### **Automatic mode**

- 1.1. Turn on the device by pressing the power button   
Then press the **A** button to select the automatic mode
- 1.2. Hold the device against your skin to measure its hydration level

### **Manual mode**

- 1.1. Turn on the device using the power button 
- 1.2. Press the LV button to switch to manual mode.
- 1.3. Adjust the intensity level from 1 to 5 by repeatedly pressing the LV button.

## **2. Apply a generous amount of 8Pepta Boosting Gel Cream to the device**

## **3. Place the device on your face and start massaging with circular motions across the entire face for about 10 minutes**

## **4. Ensure that the device maintains full contact with your skin throughout the massage**
